These businesses remained open to provide services to the community at the risk of their staff. They were essential in working with the Redruth Town Team to provide much needed support to the vulnerable and elderly in our community.

While these businesses were here for us during the past 14 weeks all of our businesses need our help and support. Please help to regenerate our town.

Shops, Services, Offices, Cafes, Craft and Arts are not in alphabetical order. Please browse to find all that Redruth has to offer, You might be surprised at what you find. a hidden gem or something you never knew was in our beloved town. So take a walk around Redruth and discover what lies behind the next corner or walkway.

As our shops and businesses reopen we will continue to add them to this document.
