# **SHOP LIKE YOUR HIGH STREET DEPENDS ON IT BECAUSE IT DOES!**

**Support your local shops and businesses.**

**If you have to shop online, type in what you want, add a coma, and type in Redruth. That way you can see if you can buy it locally.**

**Supporting local business at this time means they will be here when lock-down is over and that makes our town a better place.**

**Our shop owners are our neighbours**

**Invest in Redruth - Invest in our future.**
